

THANKS Ticket Value Increases

As the American dollar becomes less effective, the Thomasville City School System THANKS Ticket has gained in value. By teaming up with the generous local sponsors, the THANKS Ticket now holds more special offers than ever before while maintaining the \$5 price tag.

“In a time when budgets are stretched tightly, several Thomasville businesses have graciously stepped forward with special offers for our THANKS Ticket customers,” THANKS Coordinator Sandi Olson said. “Each year our system wide discount card fundraiser provides ticket holders with discounts throughout Thomasville, local businesses with a year of full color advertising and the school system much needed funds for unbudgeted items.”

The 2009-10 ticket welcomes 20 returning vendors and 21 new business sponsors.

The plastic two-sided full color credit card sized ticket will go on sale August 10. Each THANKS ticket will be valid from September 1, 2009 – August 31, 2010. In addition to supporting local schools and providing holders with unique offers, the Tickets make great stocking stuffers, thank you tokens, door prizes and gifts for any occasion.

As a system level grand prize, the one individual who sells the most THANKS Tickets will win a \$1,000 Wal-mart gift card. Second place winner will receive a \$500 gift card and a \$250 gift card will be presented to the third highest individual seller.

“By holding a system-wide fundraiser we are able to eliminate some of the small fundraising efforts previously held at each of the individual schools,” Olson said. “The THANKS Ticket is a win-win-win project. Everyone involved benefits; the schools are able to purchase needed materials; the sponsoring businesses are sure to see an increase in customers as their color logos and specials hit the town; and ticket holders have access to discounts not available anywhere else.”

For more information contact any Thomasville City School or Olson at 229-225-2622.
